Frequently Asked Questions

****Q: Do I need a referral?****

A: Most services do not require a referral. However, check with your insurance provider as some plans may require referrals for specialist visits.

****Q: How long do appointments typically last?****

A: General consultations: 30-45 minutes. Specialized services vary (see service descriptions above).

****Q: Can I bring a family member to my appointment?****

A: Yes, you're welcome to bring a companion. Children must be supervised at all times.

****Q: Do you offer lab services?****

A: Yes, we have an on-site laboratory for blood work and other tests. Results are typically available within 24-48 hours.

****Q: What if I'm running late?****

A: Please call us immediately. We'll do our best to accommodate you, but you may need to reschedule if you're more than 15 minutes late.

****Q: Do you accept walk-ins?****

A: Yes, but scheduled appointments receive priority. Walk-in patients may experience longer wait times.

****Q: How do I access my medical records?****

A: Through our patient portal or by requesting copies at the front desk. There may be a small fee for printed copies.
